Cyber Tips

1. If you have an office laptop, ensure you regularly connect it to the Columbus AFNet for updates
2. Guard against, and immediately report classified messaging incidents or other data spillages. Pay close attention to document markings, especially if you work with classified information
3. Prevent shoulder surfing. Shoulder surfing is a technique used to obtain information such as personal identification numbers and other confidential data by looking over a victim's shoulder.

COVID-19 Vaccine Info/COVAX Tool

All volunteers looking to get the COVID-19 vaccine should visit the AFMS-Columbus-14th Medical Group Facebook page or scroll down to the pages below and use the COVAX Tool to schedule an Appointment to receive the Moderna Vaccine.

MilPDS Down

Portions of MilPDS will be down 18 - 24 Jun which will impact your ability to apply for tuition assistance on the Air Force Virtual Education Center (AFVEC) website. If you intend to use tuition assistance in the near future, please plan accordingly. As a reminder, you may apply for TA between 7-45 days prior to the term start date.
