## Feeling Sick?

Currently, there are no cases of COVID-19 on Columbus AFB. Therefore, the risk of infection is low. If you are feeling sick, please call the Nurse Advice Line (NAL). This is a team of registered nurses who are available 24/7 to answer your urgent healthcare questions. Visit [MHSNurseAdviceLine.com](https://MHSNurseAdviceLine.com) for a web or video chat, or dial 1-800-TRICARE (1-800-874-2273), option 1. They can help you decide whether self-care is the best option, or if it is better to see a healthcare provider.

## Tax Center Closure

The tax center will be closing for the rest of the season due to the lack of personnel available to prepare taxes and to help reduce the chances of spreading the coronavirus. If you have any questions, please feel free to call us at 662-434-7030. Below are some links for free online tax services as well as other VITA tax center locations within a 100 mile radius of Columbus AFB.
