

14TH STUDENT SQUADRON

TRANSITION FLIGHT: 662-434-7618

8/18/2020

Transition Flight Commander
14th Student Squadron
Columbus AFB, MS

Inbound Columbus AFB UPT Students In-Processing during COVID-19 Crisis

Congrats on your upcoming training at Columbus AFB!

With the ongoing COVID-19 crisis affecting the United States and world at large, the 14FTW/CC has implemented base-specific precautionary measures, in-line with the State of Mississippi and CDC guidance. This is to protect the base population, nearby communities, and facilities. Below are some initial steps and notes to better prepare for your arrival under these unusual times:

- A) Download the 14FTW App on the Apple or Android Store
 - a. Reference the "COVID-19" tab and "Welcome" tab
 - b. COVID-19 WG/CC or OG/CC policies supersede many processes found on the "Welcome" tab
- B) Verify all those traveling with you to CAFB have a military ID
 - a. If not, and non DOD-ID holders will require base access, then a waiver can be pursued by calling in to Transition Flight (see below)
- C) Contact the **Transition Managers (Commercial: 662-434-7618)** before starting travel to Columbus
 - a. Transition Managers are casual officers awaiting pilot training that assist with in-processing/RIPs/and any other issues for students awaiting their UPT start
 - b. Calling a TM before your trip will help clear up any "snags" before you arrive
- D) **For urgent matters, contact Capt Jordon Cosgrove (Trans Flt/CC – 662-434-2801) or Capt Lewis Gray (Asst. Trans Flt/CC – 662-434-2680)**

V/r,

Capt Jordon Cosgrove
14th Student Squadron, Transition Flight Commander
662-434-2801
