Fitness Guidance Frequently Asked Questions

Q. What is the new point breakdown without the A/C component? When is this effective?

A. After removing the abdominal circumference as a scored component of the physical fitness assessment, points were redistributed. Push-ups and sit-ups will increase from 10 to 20 points each, with the 1.5 mile run remaining at 60 points, effective July 1, 2021.

Q. Why is the cardio component so heavily weighted?

A. Revised scoring remains at 60 points for the aerobic component and reflects continued emphasis on cardio-vascular fitness. While it is not the only aspect of health and readiness, aerobic fitness remains one of the most essential elements for readiness and health.

Q. Why are we changing to five-year age groups? When is this effective?

A. These changes are in response to what Airmen have asked and what the Air Force Physical Fitness Working Group determined was the best way forward. This is effective July 1, 2021.

Q. If a member does not meet the minimum component score, is it possible to pass the test?

A. No, in order to pass the physical fitness assessment a member must 1) achieve a composite point total greater than or equal to 75 points and 2) meet the minimum point values for all components tested on.

Q. Are any of the rules for fitness failures going to change or do the same rules apply?

A. No. All the same rules for fitness failures will still apply.

Q. How will body composition be measured? When will that be implemented?

A. The body composition program will be separate from the physical fitness assessment and resume October 2021. Further details on the body composition program, as required by Department of Defense Instruction 1308.3., will be released at a later date.

Q. If I am on a profile for one component, does my Primary Care Manager (PCM) or Primary Care Provider (PCP) have to exempt me from the alternate option, as well?

A. Yes, if a member is on a profile their PCM or PCP must identify which components they are exempt from.

Q. Can members test using a combination of the old and new cardio and strength components? Will members have the option to choose what they like best?

A. Yes, once the new components are implemented in January 2022, members will have a choice on which testing options they choose for their physical fitness assessment. More information is expected to be released this summer.

Q. If it is a choice, when will members have to decide what components they will test in?

A. Members must decide their components in conjunction with the completion of their Fitness Screening Questionnaire and provide it to their Unit Fitness Program Manager for review prior to their assessment. If they don't make a determination, member will test on the regular components.

Q. Will the updates and new options change the pregnancy exemptions and post-partum exemptions?

A. No.

Q. Will the new physical fitness assessment changes be implemented at Basic Military Training?

A. Yes.

SECTION I - INSTRUCTIONS

An amendment to the Gun Control Act of 1968 (18 U.S.C. 922) makes it a felony for anyone who has been convicted of a misdemeanor crime of domestic violence to ship, transport, possess, or receive firearms or ammunition. It is also a felony for any person to sell or otherwise dispose of a firearm to any person so convicted.

The Department of Defense has, by policy, expanded the prohibitions contained in Title 18 Section 922(g)(9) to those military or civilian personnel who have felony convictions for crimes of domestic violence. Convictions of crimes of domestic violence do not include summary court-martial convictions, the imposition of nonjudicial punishment (Article 15, UCMJ), or deferred prosecutions (or similar alternative dispositions) in civilian courts. Furthermore, a person shall not be considered as having committed a "crime of domestic violence" for purposes of the firearms restriction of the Gun Control Act unless all of the following elements are present:

- (1) the person was convicted of a crime;
- (2) the offense has as its factual basis the use or attempted use of physical force, or threatened use of a deadly weapon;
- (3) the convicted offender was at the time of the offense:
 - (a) a current or former spouse, parent or guardian of the victim,
 - (b) a person with whom the victim shared a child in common,
 - (c) a person who was cohabiting with or has cohabited with the victim as a spouse, parent, or guardian, or
 - (d) a person who was similarly situated to a spouse, parent, or guardian of the victim, or;
 - (e) for a conviction on or after 25 June 2022, a person who has a current or recent former dating relationship with the victim;

- (4) the convicted offender was represented by counsel, or knowingly and intelligently waived the right to counsel;
- (5) if entitled to have the case tried by jury, the case was actually tried by jury or the person knowingly and intelligently waived the right to have the case tried by jury;
- (6) the conviction has not been expunged or set aside, or the convicted offender has not been pardoned for the offense or had civil rights restored, unless the pardon, expungement, or restoration of civil rights provides that the person may not ship, transport, possess or receive firearms.
- (7) For the case of a sole conviction of a misdemeanor crime of domestic violence against an individual in a dating relationship, five years has not elapsed from the later of the judgment of conviction or the completion of the custodial or supervisory sentence, if any, or the convicted offender has been subsequently been convicted of another such offense

If you have ever received a domestic violence conviction: (1) you may not possess any firearm or ammunition; and (2) you must return any Government-issued firearm or ammunition to your commander or immediate supervisor; and (3) you must take steps to relinquish possession of any privately owned firearms or ammunition. Furthermore, any previously issued authorization to possess a firearm or ammunition is revoked.

If you have any questions, or you are uncertain if you have such a conviction, you may wish to contact a legal assistance attorney, if eligible, or a private attorney, at your own expense.

THE LAUTENBERG AMENDMENT

I. INTRODUCTION. The Lautenberg Amendment to the Gun Control Act of 1968 became effective 30 September 1996. It potentially affects any soldier who has been convicted of domestic violence or who is currently subject to an active restraining order. This information paper is designed to provide a brief summary of the Amendment and tell you where to go for further answers. It is NOT designed to be a substitute for individual legal advice from a Legal Assistance attorney.

II. DISCUSSION.

- A. ***Law's Impact.*** The Lautenberg Amendment makes it a felony for anyone convicted of a misdemeanor crime of "domestic violence" (*e.g.*, assault or attempted assault on a family member) to ship, transport, possess, or receive firearms or ammunition. *There is no exception for military personnel engaged in official duties.* The Amendment also makes it a felony for anyone to sell or issue a firearm or ammunition to a person with such a conviction. This includes commanders and NCOs who furnish weapons or ammunition to soldiers knowing, or having reason to believe, they have qualifying convictions.
- B. ***"Qualifying" Convictions.*** The definitions of "domestic violence" and "conviction" are complex. "Conviction" does NOT include, however, Article 15s, summary court-martial convictions, deferred prosecution (or similar dispositions) in civilian courts, or judgments that have been expunged or set-aside. Legal assistance attorneys can help you determine whether you have a conviction covered by the Lautenberg Amendment.
- C. ***Firearms and Ammunition.*** Under DoD policy, major weapon systems and crew-served weapons such as tanks, missiles, and aircraft are not covered by the Amendment. The Amendment does apply, however, to both military and privately owned firearms and ammunition. Commanders must establish procedures to ensure compliance with the law to include procedures for soldiers with qualifying convictions who desire to withdraw their privately owned weapons from unit arms rooms. These procedures must allow soldiers to sell or transfer their weapons to authorized persons directly without taking physical possession of the weapons in violation of the Lautenberg Amendment.
- D. ***Information for Soldiers Affected.*** If you know, or have reason to believe, that you have a qualifying conviction for domestic violence, you should see a Legal Assistance attorney immediately. If you believe you have such a

**DEPARTMENT OF THE AIR FORCE
HEADQUARTERS 14TH FLYING TRAINING WING
COLUMBUS AIR FORCE BASE MISSISSIPPI**

conviction, you need not discuss your case with your commander until after you have seen a Legal Assistance attorney. That attorney will advise you on what you should do in your situation.

E. ***Command Responsibilities.*** DOD and Army policy requires the following to implement and enforce the Lautenberg Amendment:

1. Notify soldiers that it is unlawful to possess firearms and ammunition if they have qualifying domestic violence convictions;
2. Check local unit files to determine whether soldiers have qualifying convictions and report soldiers known to have such convictions through command channels to HQDA;
3. Detail soldiers having or believed to have qualifying convictions to duties not requiring the bearing of weapons or ammunition;
4. Prohibit soldiers having or believed to have qualifying convictions from deployments for missions requiring possession of firearms or ammunition;
5. Prohibit soldiers having or believed to have qualifying convictions from attending military schools where instruction in weapons or ammunition is part of the curriculum;
6. Prohibit soldiers having or believed to have qualifying convictions from receiving OCONUS assignments;
7. Transfer – where possible – soldiers having or believed to have qualifying convictions from TOE to TDA units and organizations; and
8. Prohibit soldiers having or believed to have qualifying convictions from re-enlisting.

III. CONCLUSION. If you have a qualifying misdemeanor conviction for domestic violence, the Lautenberg Amendment will almost certainly affect your military career. If you believe you have a qualifying conviction, you should immediately seek the assistance of a Legal Assistance attorney. Bring *all* court documents to your Legal Assistance appointment. If you do not have them, request a copy from the clerk of the court where you received the conviction.

Logging into the AF Portal: The air force portal is your stop to find where to go for most information. It is where you will go to access your Individual Medical Readiness (IMR), MyLearning, MyVector, AFPC Secure, MyFitness, AF ePublications, etc..

- a.** Ensure your CAC is plugged in.
- b.** Type my.af.mil or search for “Air Force Portal” using a web browser.
- c.** Select “PKI Logon” and then enter your CAC PIN.

Using your CAC at home: Purchasing a Common Access Card reader for home use is highly recommended. They can be purchased at the BX or online.

- a.** Using a CAC on a base personal computer will give you access to many of the websites and your email although Some sites will still be blocked, and you will not be able to read encrypted emails nor open encrypted files like RIPs.
- b.** You can encrypt emails you send using safe.apps.mil.
- c.** You can get past all limitations by setting up AFRC's Desktop Anywhere. This lets you access a gov't virtual machine which will act like you logged into a gov't computer on gov't Wi-Fi. This is **highly recommended** and takes 5 minutes to set up. Search “AFRC Desktop Anywhere” or follow this guide to set this up: [Air Force Reserve Command \(AFRC\) \(AFRC\) - DESKTOP ANYWHERE](#).

Pass & Leave Guide

Pass & Leave Info: Taking a pass or leave at Columbus is more complicated than at some other bases. It comprises of three parts: LeaveWeb, 4392, and the Pass & Leave Tracker.

- a. What do I need to do?** Check out the Pass-Leave-4392 Flowchart on Page 2. It will help you decide what you need to do. If you are still having issues, contact the TMs.

LeaveWeb: LeaveWeb is the site where you will submit official leave requests when a 4392 will not suffice for what you are doing. You can find the full step by step guide for submitting Leave below. Submitting Leave on LeaveWeb **DOES NOT** let you skip the 4392 and pass-leave tracker. **ALL leave requests without a 4392 Attached will be denied.**

4392: The AF Form 4392 is used for travel outside the local area and detail the events of your trips (ie Dates, Departure/Arrival Points, Mileage, Purpose of Trip, Etc..). This needs to be submitted NLT a week before departure. You can find examples of this completed form below.

Leave Tracker: Once approved, you are required to update the Pass & leave tracker. This can be found on the 14 STUS Casuals slack.

channel.

- a. Why does the Pass & Leave Tracker exist?** Because of how LeaveWeb works we cannot see all individuals' leave and passes easily. This makes it easy to keep track of all individuals.

Holidays: See the AETC family days and holiday policies Here:

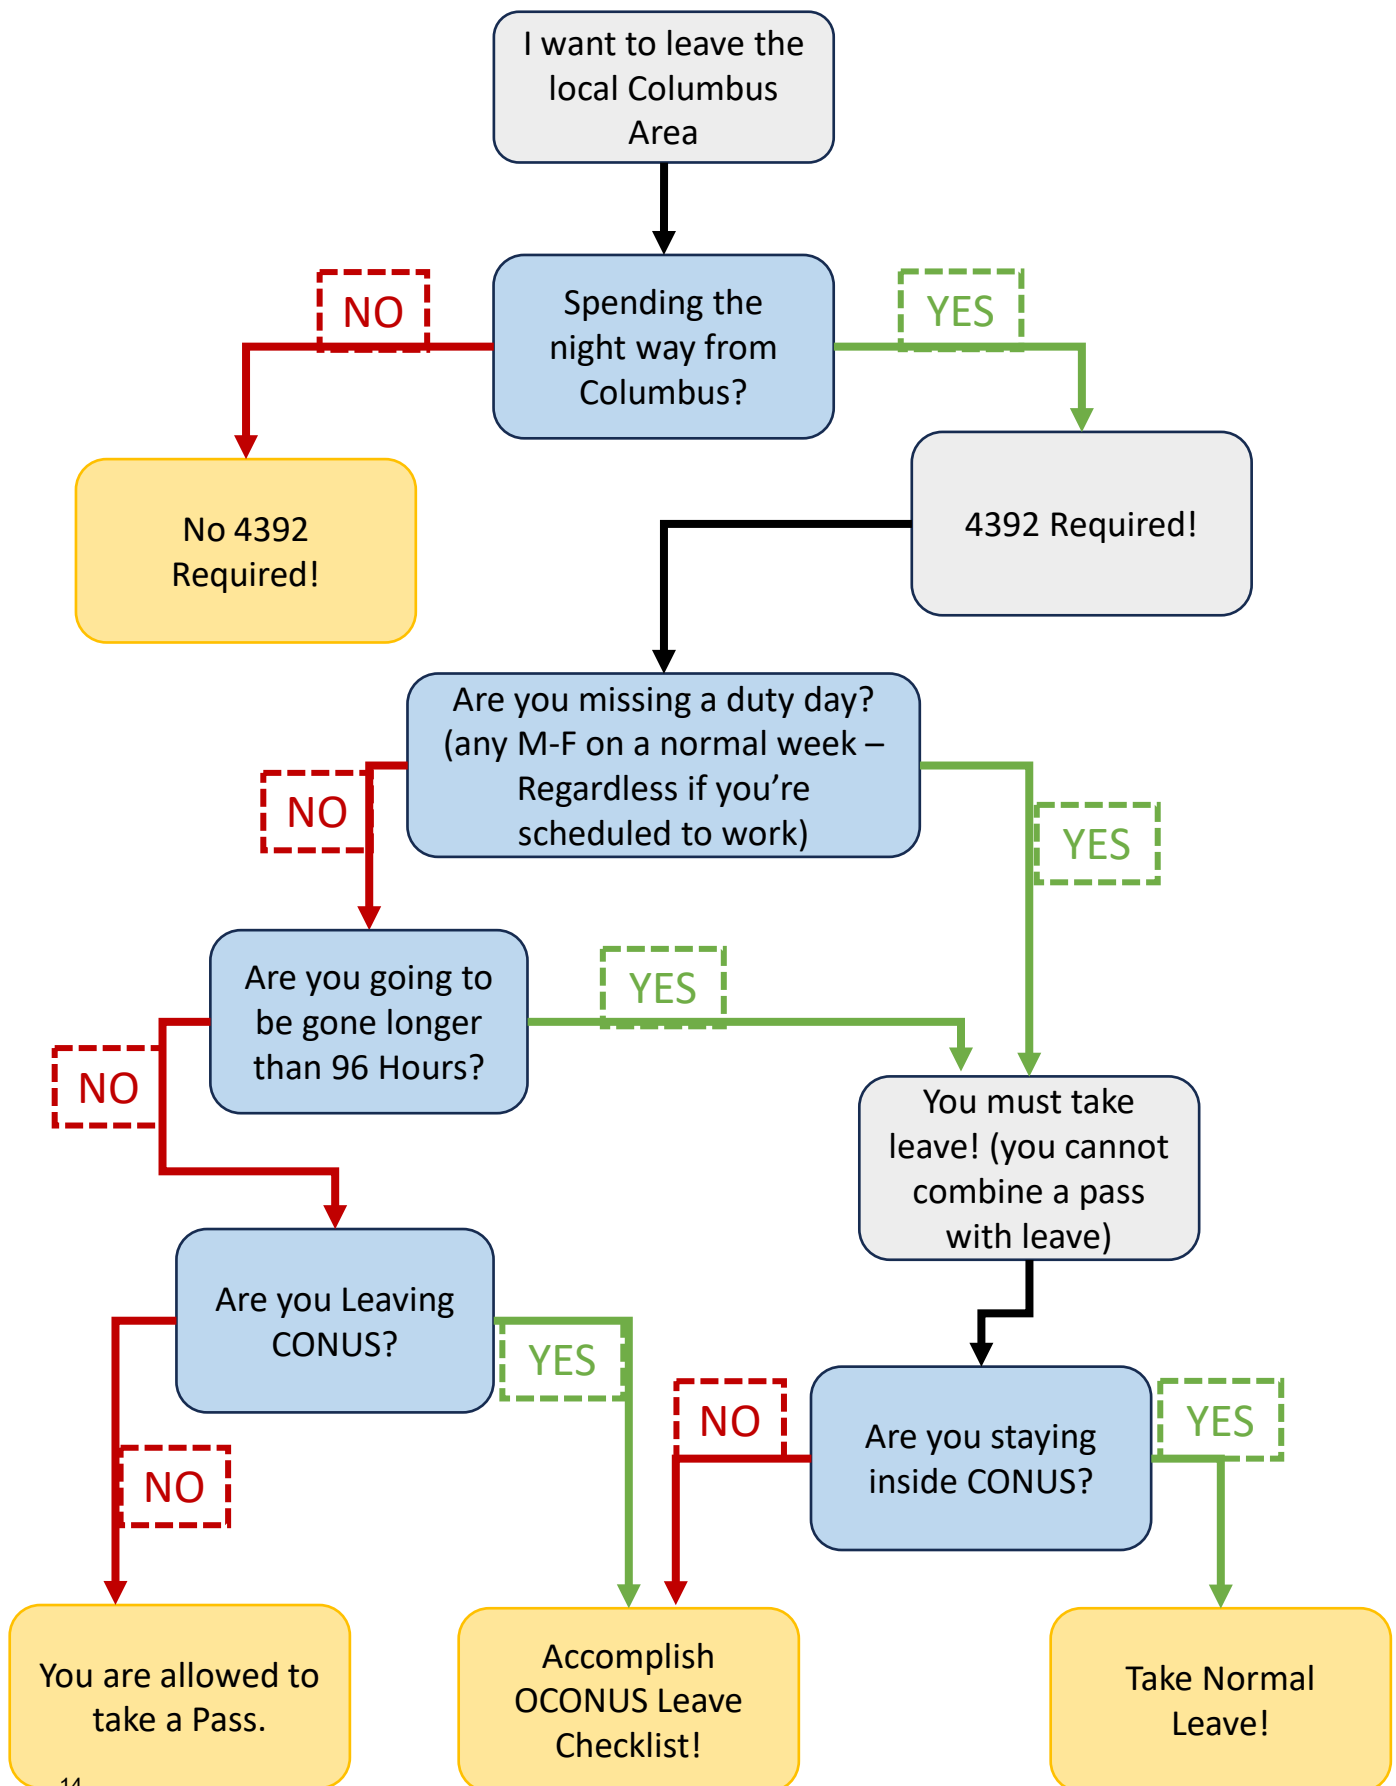

<https://www.aetc.af.mil/Portals/88/Documents/AETC%20Family%20Dyas/2024-2026%20AETC%20Family%20Days.pdf>. Come talk to us if you have any questions. Typically, a pass will be granted (no longer than 96 hours) during those holidays however there will be days between Christmas and New Years that you must be in the local area for or else you will have to take leave for the entire duration. Read the leave policies (in leaveweb and the squadron policies) first before talking to us with questions.

OCONUS Leave (Outside Contiguous US) - Outside the lower 48:

- a.** CONUS Leave requires a Foreign Travel Antiterrorism Packet that can be coordinated through the UPCs, Mr. Charles Collins (charles.collins.20@us.af.mil) or Mr. Alex Heller (alexander.heller.1@us.af.mil) in the Transition office.
- b.** ALL OCONUS leave requests require 14 STUS/CC or CCQ approval.
- c.** Foreign Travel Antiterrorism Packets are NOT required for Alaska, Hawaii, Puerto Rico, Guam or the US Virgin Islands.
- d.** You simply submit in Leave Web with a 4392.
- e.** The suspense for all OCONUS Leave packages is 2 weeks prior to departure date (exception: major travel holidays 4th of July, Thanksgiving, Christmas, New Year= 3 weeks prior due to volume).
- f.** OCONUS leave paperwork is in the UPC Documents list, or can be found at <https://usaf.dps.mil:/f:/r/teams/14STUS->

[UPCPortal/Shared%20Documents/4.%20Foreign%20Travel%20Packet%20Template?csf=1&web=1&e=jbirAI](#). If your leave location is level 3 the boss will most likely not sign off on it, but the worst she can say is no, so submit anyway or talk to the UPCs. If you're going on a cruise, put all the ports you're stopping at, not just the departure port. NOTE: Please review the Foreign Travel Leave Policy for the 2023 Holiday Period, so you meet submission deadlines for Foreign travel requests. [https://usaf.dps.mil/:b:/r/teams/14STUS-UPCPortal/Shared%20Documents/General/Holiday%20leave%20policy%20\(foreign%20travel\).pdf?csf=1&web=1&e=ySDO1H](https://usaf.dps.mil/:b:/r/teams/14STUS-UPCPortal/Shared%20Documents/General/Holiday%20leave%20policy%20(foreign%20travel).pdf?csf=1&web=1&e=ySDO1H)
